

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF SOUTH CAROLINA  
(Beaufort Division)**

UNITED STATES *ex rel.* CHRISTOPHER  
F. YOUNG,

Plaintiff-Relator,

v.

Civil Case No. 9:20-2959-BHH

LAFARGE CORPORATION, LAFARGE  
NORTH AMERICA, INC., LAFARGE  
BUILDING MATERIALS, INC., ARGOS  
USA CORP., ARGOS CEMENT LLC,  
ARGOS READY MIX LLC, ARGOS USA,  
LLC, GREG MELTON, PAT MOONEY, and  
RICHARD A. STANKWYTCH,

Defendants.

**ARGOS USA LLC'S ANSWERS TO LOCAL RULE 26.01 INTERROGATORIES**

The following answers to the interrogatories set forth in Local Civil Rule 26.01 are provided by Defendant Argos USA LLC ("Argos").

**A. State the full name, address, and telephone number of all persons or legal entities who may have a subrogation interest in each claim and state the basis and extent of said interest.**

Defendant Argos is unaware of any person or legal entity with a subrogation interest in any claims in this action.

**B. As to each claim, state whether it should be tried jury or nonjury and why.**

Plaintiff in this action has requested a jury trial.

**C. State whether the party submitting these responses is a publicly owned company and separately identify: (1) each publicly owned company of which it is a parent, subsidiary, partner, or affiliate; (2) each publicly owned company which owns ten percent or more of the outstanding shares or other indicia of ownership of the party; and (3) each publicly owned company in which the party owns ten percent or more of the outstanding shares.**

Argos USA LLC is the only properly named Argos entity, as explained in response to Interrogatory F, and so Argos USA LLC is the only entity submitting these responses. Argos USA LLC is a wholly owned subsidiary of Argos North America Corp. The parent company of Argos North America Corp. is Cementos Argos S.A., which is a subsidiary of Grupo Argos S.A. The stock of Grupo Argos S.A. and of Cementos Argos S.A. are publicly traded in the Republic of Colombia. No other publicly held corporation owns 10% or more of the stock of Argos North America Corp. Neither Argos USA LLC nor Argos North America Corp. owns 10% or more of the outstanding shares of any other publicly owned company.

**D. State the basis for asserting the claim in the division in which it was filed (or the basis of any challenge to the appropriateness of the division). See Local Civil Rule 3.01.**

As Argos has not asserted any claims in this action, Interrogatory D is inapplicable.

**E. Is this action related in whole or in part to any other matter filed in this District, whether civil or criminal? If so, provide (1) a short caption and the full case number of the related action; (2) an explanation of how the matters are related; and (3) a statement of the status of the related action. Counsel should disclose any cases that *may be* related regardless of whether they are still pending. Whether cases *are* related such that they should be assigned to a single judge will be determined by the clerk of court based on a determination of whether the cases arise from the same or identical transactions, happenings, or events; involve the identical parties or property; or for any other reason would entail substantial duplication of labor if heard by different judges.**

This action is related to two other matters filed in this District.

*Young v. Argos USA, LLC*, No. 19-3073, is an employment action brought by Relator Christopher Young against Argos. The action contains allegations related to his termination, which he alleged was in retaliation for informing the government about Argos' conduct and for bringing an action against Argos under the False Claims Act.<sup>1</sup> This Court granted Argos' motion

---

<sup>1</sup> This initial action that Mr. Young brought under the False Claims Act was filed in the Southern District of Georgia, *United States ex rel. Christopher F. Young v. Lafarge, S.A. et al.*, No. 13-00095.

to dismiss the employment action in full, and that order is now on appeal in the U.S. Court of Appeals for the Fourth Circuit.

*Pro Slab Inc v. Argos North America Corp et al*, No. 17-3185, is a putative class action brought by plaintiffs who allege they bought concrete from Argos at supra-competitive prices. Discovery in the suit has been largely stayed pending resolution of a related criminal matter brought in the Southern District of Georgia, *United States v. Evans Concrete, LLC*, No. 20-00081.

**F. If the defendant is improperly identified, give the proper identification and state whether counsel will accept service of an amended summons and pleading reflecting the correct identification.**

Argos USA Corp., Argos Cement LLC, and Argos Ready Mix LLC are named as defendants but, due to various corporate reorganizations, these entities no longer operate independently. In particular, Argos USA Corp. changed its name to Argos North America Corp. in 2016, and there is no longer a separate entity named Argos USA Corp. Argos Ready Mix LLC merged into Argos Cement LLC in 2016, and the surviving company changed its name to Argos USA LLC. Counsel for Argos has already agreed to accept service on behalf of Argos USA LLC. Because Argos believes that Argos USA LLC is the correctly named entity, Argos does not believe that an amended summons or pleading is necessary at this time.

**G. If you contend that some other person or legal entity is, in whole or in part, liable to you or the party asserting a claim against you in this matter, identify such person or entity and describe the basis of said liability.**

Argos does not contend that any other persons or legal entities are liable for the claims asserted against it in this suit.
